Group Meetings Notes:

11/17/2018

Meeting 1

1) Watch videos linked in group chat (not just part 1)

2) Get familiar with GitHub.com (also linked in group chat)

3) Plan on meeting on Friday (11/16)

11/19/2018

Meeting 2

1) Make account on GitHub.com and figure out how to add files to the group

2) Start writing the classes with inheritance

User

Student   Admin

Teacher

(Class - Fields)
User - Name, Password
Student - Grade, Course
Teacher - Course

3) Start writing lists that incorperate the classes (Watch videos to help with this)

4) Plan on meeting next monday (11/26)
